Dear NYSUT Member,

Our union is strongest when we raise our voices together to fight for our values. That includes working to fill the halls of power with people who support working families and public education.

Since no NYSUT dues dollars are used to support political parties, candidates or campaigns, your voluntary contribution to VOTE-COPE is the only way to ensure the people in power hear our voices and understand what we need to succeed in our work and our lives.

Supporting VOTE-COPE is your way to help elect candidates who support great public schools, protect good jobs that pay a decent wage, fight for affordable and accessible health care for everyone, and reject discrimination, hatred and bigotry in all its forms. **Please do your part with a voluntary contribution to VOTE-COPE, our union's political action fund!**
